SELECTMEN'S REPORT - 2004

We are continuing the "rehabilitation" of the Joslin Road – an ongoing project. We replaced culverts and repaved a portion of the road.

We will be purchasing a new taxation computer software program from Avitar, the company that did the town revaluation. This program is much more computer friendly and will be able to generate necessary state reports more easily.

As most of you are aware, Cemetery plots are now on sale from the Town Clerk. You can choose your plot from a map at her office. We thank the Cemetery committee and Tom Flavin for their help with this project.

We would like to take this opportunity to thank all the volunteers who participate in the different departments of our small community. Without you there would be no "community". So, for those of you who would like to participate in our town government or volunteer your services, please contact the Selectmen's office to see where you can help.

We are hoping to refurbish the town hall shed and front porch. Both of which are seriously in need of repair.

The cemetery fence facing the parking lot needs to be replaced. Before that can happen, two trees need to be removed for public safety and new fencing will be erected.

By the time this report goes to press, you probably have heard our Police Chief, Gerald Clark will be incapacitated for a bit due to a broken leg. We wish Gerry all the best and a very "speedy" recovery.

**STATE OF NEW HAMPSHIRE – TOWN OF SURRY
COUNTY OF CHESHIRE
TOWN WARRANT - 2005**

To the inhabitants of the Town of Surry, in the County of Cheshire, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in Surry on Tuesday, the 8th of March, 2005 from 2:00 p.m. to 7:00 p.m. to cast written ballots to act upon the following articles:

1. To choose all necessary Town officers as listed on the official ballot.

In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, March 10th, 2005 for the business meeting at 7:30 p.m. to act on the following articles or in relation thereto:

2. To hear the reports of the Town Officers and Committees.

3. To see if the Town will vote to approve a change in tax collection billing from once per annum to twice per annum - June and December in the calendar year. The standards for collection per statute, as follows:

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities.

1. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times $1/2$ of the previous year's tax

rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times $1/2$ the previous year's tax rate to compute the partial payment.

II. For the purposes of this section, the lists of assessed property shall be committed by the selectmen with a warrant under their hands and seal directed to the collector of such town no later than May 15. The collector shall mail all the bills for this partial payment no later than June 15. Partial payment of taxes assessed under this section shall be due and payable on July 1. The collector shall receive such payments, give a receipt therefore, and credit the amount paid toward the amount of the taxes eventually assessed against the property, in the same manner as prepayments under RSA 80:52-a. A payment of the remainder of the taxes assessed April 1, minus the payment due on July 1 of that year, shall be due and payable December 1. Interest charged on all taxes not paid on or before the date they are due shall be as prescribed in RSA 76:13, except that, when bills for the partial payment under this section are mailed on or after June 1, interest shall not be charged until 30 days after the last bill is mailed.

The Selectmen and the Budget Committee recommend this change. (Majority vote required).

4. To see if the Town will vote to raise and appropriate the sum of \$5000 to place in the current Library capital reserve fund for the purpose of ADA compliance. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

5. To see if the Town will vote to raise and appropriate the sum of \$5000 to place into an ongoing capital reserve fund for the fourth year of a six (6) year plan to purchase a new police cruiser. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

6. To see if the Town will vote to raise and appropriate the sum of \$10,000 to place into an ongoing capital reserve fund for highway capital equipment. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

7. To see if the Town will vote to raise and appropriate the sum of \$8,100 to be added to the capital reserve fund previously established for the purpose of finishing the Town history. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required).

8. To see if the Town will vote to authorize the withdrawal of \$11,892 (plus nominal interest) from the capital reserve fund established for the purpose of finishing the Town history, and closing this reserve fund. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required).

9. To see if the Town will vote to raise and appropriate the sum of \$25,000 to place into an ongoing capital reserve fund to purchase a new fire truck. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

10. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relations thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required).

11. To see if the town will vote to approve new Flood Plain ordinance prepared by the Surry Planning Board. Approval by this vote is the last step required to allow the town to join the National Flood Insurance Program. Failure to approve by this vote will negate the ability to join the Flood Insurance Program. The Selectmen recommend approval of this proposal.

12. To see if the Town will vote to approve the optional tax credit for service connected total disability pursuant to RSA 72:27, with a tax credit amount to be greater than the mandatory \$700 but no greater than the maximum allowable of \$2,000. If approved by town vote, the exact tax credit to be allowed must be designated at the same time. Such approval, if granted, will take effect for all qualified disabled veterans for the next tax billing cycle. By Petition

13. To see if the Town will vote to accept the budget for the calendar year 2005 to raise and appropriate the money to be expended according to the budget, or take any action thereto. The Selectmen and the Budget Committee recommend this appropriation.

14. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 18th day of February in the year of our Lord Two Thousand Five.

The readers for our summer reading program, Linda Dormody, Mary Fosher, Becky Huntley, Katherine Richardson, Michelle Thornton and Lori Warner were especially busy this year. In addition to planning their usual reading and craft projects, they invited our older students in Surry to the library one Saturday to make the props for the summer theme "Heroes". Elizabeth and Leslie Carlson, and David Lane were also called in to assist. You missed a real treat if you did not come into the library this summer and see what they created.

Maureen Bigelow provided an afternoon program throughout the summer geared to the same theme , "Heroes" , for the older students.

We started an adult reading group this past fall. They meet one Wednesday a month at 3:30pm to discuss a book they have chosen as a group at the previous meeting. New members are Welcome!!!!

I also want to thank volunteers Jean Ahlberg, Erma Kaufman and Julie Lane for all the help they have given me throughout the year. We are always pleased with the help and support we receive from all of you.

SURRY CONSERVATION COMMISSION REPORT - 2004

The Surry Conservation Commission was reorganized and had its first meeting on September 12, 2004. A Rules of Procedure was established and signed by the selectmen which formalize how the commission functions. The commission now meets every third Thursday at 7:00 PM in the town hall unless notified by public notice. Meetings are open and all are invited to attend. Following is a series of summaries outlining the various projects and efforts before the commission.

Site Plan Reviews – The Commission reviews all site plans with respect to wetland regulations and driveway design related to adequate drainage. As we have no enforcing authority, our position is to recommend design changes or comment on possible legal infractions to the appropriate authority.

Merriam Road – We have been working with the NH DES (Dept. of Environmental Services) regarding some wetland and forestry violations. The goal is to stabilize the soil by the reconstruction of the three intermittent streams that were destroyed.

Trails – As a result of complaints from local residents and witnessing the litter, environmental damage and misuse of private land; the Surry Commission invited key people from Walpole and Alstead to a meeting to discuss the problem. An ongoing effort has developed with the three towns working to develop a joint strategy to resolve the identified problems. The Surry Commission has agreed that maintaining open space for the proper use of all is an important part of the solution.

Litter – An ongoing effort is to identify and enable concerned residents to help in cleaning up the litter in town. We will be inviting you to participate in various projects throughout the year. We would ask each landowner to take responsibility for the roadside that abuts your land.

Conservation Fund – One of the Commissions responsibilities is the expenditure of monies from the fund, consistent with RSA 36-A. As such, the following requirements have been identified:

- 1. Must be protective of the Environment.
- 2. Will not be spent until a public meeting is held.
- 3. If possible, will form a seed for the development of other monies.

A project was suggested by a selectman which fits very well, that is, the construction of a sand and salt shed. The Commission is proposing the establishment of a Capital Reserve Fund with \$5000.00 the rest of the monies to be provided by the town, for the construction of this shed.

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester
Hinsdale

2004 Annual Report

The Ashuelot River Local Advisory Committee (ARLAC) was established in 1994, one year after the Ashuelot River was enrolled into the State Rivers Management and Protection Program. Since then, members, nominated by local municipal officials and appointed by the Commissioner of the Department of Environmental Services (DES), have been educated in a broad array of issues associated with the River and its watershed. It is the hope of the committee to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities.

The volunteer Ashuelot River water quality-monitoring program in conjunction with the DES Volunteer River Assessment Program (VRAP) continued for its fourth season. Again, ten sites were sampled along the River's 64-mile length, from Washington to Hinsdale. Analyses were done for *E. coli*, temperature, pH, total phosphorus, dissolved oxygen (DO), turbidity and conductivity, with the City of Keene donating lab services for *E. coli*. ARLAC members, working with community volunteers, participated in a spring training session, leading into a five-month effort of sampling once per month from May through September. Donna Hanscom of the Keene Waste Water Treatment Facility, again treated ARLAC and monitor volunteers to a summary presentation of the sampling results in November. The Ashuelot River continued to maintain its Class B designation of swimmable and fishable, violating these standards by high bacteria counts only during high water events. ARLAC also supported the Ashuelot Valley Environmental Observatory (AVEO) in implementing macro invertebrate monitoring on the River. Continued monitoring and public education will keep the Ashuelot River the vital community resource that it is today.

A regular task for the Committee is to review and comment on state permit applications within the River corridor that may have potential impacts on the River. This year we submitted comments on projects proposed in Washington, Gilsum, Surry, Keene, and Winchester. These included 4 site-specific applications, 8 wetlands applications, 1 wetlands complaint, and 1 shore land protection complaint. ARLAC also interceded or supported citizen efforts in additional environmental concerns in Surry, Swanzey and Washington. In addition a paddle on the River in Keene by an ARLAC member and AVEO detected a sewage leak into the River that was then corrected by the City.

ARLAC continues to be involved in dam removal efforts, commenting on the proposal to decommission the Fiske Mill Dam in Hinsdale and participating as a member of the Homestead Dam Feasibility Study Advisory Group. This group was established to assure public input during the Swanzey Homestead Dam feasibility study performed by the consultant team of Vanasse Hangen Brustlin, Inc. The goals are to 1) attain dam safety, 2) provide fish passage, and 3) ensure the safety of the Thompson Covered Bridge.

With input from ARLAC, The Nature Conservancy, in collaboration with the Monadnock Conservancy, Society for the Protection of NH Forests, and Southwest Region Planning Commission created a watershed-based land protection plan for the Ashuelot Watershed. The Ashuelot Watershed was chosen as a priority area for its large unbroken swaths of undeveloped lands, forested areas and conservation land (especially unique south of the White Mts.). This year ARLAC began the process of reviewing and updating our Corridor Management Plan and will use these recommendations as we continue with our update.

ARLAC took the opportunity of frozen winter conditions last February to snowshoe the upper reaches of the River in Washington and Lempster, and joined the Swanzey Conservation Commission in its annual spring paddle of the River in Swanzey. ARLAC encourages everyone to enjoy the beauty of the River in all seasons.

The Committee meets each month, on the third Tuesday evening in Keene. The Local Advisory Committee invites citizens and town officials to contact their local ARLAC representatives or the Southwest Region Planning Commission for more information.

FIRE DEPARTMENT**

**FIRE ENGINEERS: JOHN BERGLUND

Your Fire Department has been busy in many areas throughout the year. Although there have been no major fires this year, a few were averted by quick responses which contained smaller fires.

Unfortunately, there have been bad motor vehicle accidents with personal injuries and loss of life. Our members have worked very hard throughout the year at these emergencies as well as the many maintenance issues at the fire station.

Notable this year was the installation of a generator capable of powering the complete Fire Station. This will enable us to operate through extended power outages and utilize the station as a shelter for the town if the need should arise.

Special *Thanks!* To Dave Brooks and Larry Milliron who aided us in various capacities with site work and technical expertise. The electrical service was completely reworked and upgraded to accommodate the new equipment. Larry and Dave are both non-member citizens who willingly volunteered their services.

We anticipate forming a committee in 2005 to begin the task of determining the requirements for a replacement front line truck. The current 1st truck is 17 years old; the others, 28 and 38. It will probably take two more years to go through the process of specking, funding and procuring a replacement.

This year we also replaced the radios in our three trucks and airboat under a statewide program and federal grant to ensure interoperability of the emergency services. Your regional mutual aid dispatch center and radio repair crew headed this work.

We would very much welcome any new members that have an interest in either fire fighting, or medical pursuits and a desire to serve their community. We meet the second Monday of the month at 7:00pm.

SURRY POLICE DEPARTMENT

It appears that the Police have had yet another record-breaking year as far as activity. Our numbers are up from last year. Domestic complaints were down, but domestic related calls were actually up. These typically are civil stand-bys and serving domestic violence petitions. Our criminal caseload has increased and along with this so did the Officer's court time. You may also notice a slight change in the numbers relating to MV summonses vs. warnings, in that they have swung in the opposite direction. This may very well be related to having a computer in the cruiser and finding that we're stopping the same people quite often. Unfortunately, we ended our year with a double fatal motor vehicle crash up on the Summit.

Our patrolling efforts were down a little this past fall, but it is anticipated that they will increase within the new few weeks.

This year we either upgraded or replaced more of our equipment. We upgraded some of our firearms, purchased a new radar unit for the cruiser which allows us to track vehicles as we are moving or stationary, as well as traveling in the same direction ahead of us pulling away, or coming up behind us. We also installed a new digital capable radio in the cruiser. Now we can at least talk to the portable radio the State gave us a year or so ago.

We are also excited to report that this past fall, we were approved to carry an AED (Automated External Defibrillator) unit in the cruiser, and probably by the time this report goes to print, we will have it. This is great news for the residents of Surry. In the event of an emergency call of this type is received, especially during the summer months, quite often the cruiser is already out and can be dispatched to the scene immediately!

Please remember that we are now dispatched by the Cheshire County Sheriff's Office that can be reached by calling 355-2000 or 9-1-1. Do not call our homes directly!

Thank you once again is extended to the Surry Fire, Rescue and Highway Departments for their continued assistance and support throughout the year.

WARNING: PHONE AND MAIL SCAMS – Be aware that hundreds of scams via mail and telephone are taking place in this area. Recently, Roxbury had two such events and Hancock, one. The Hancock victim lost all her life savings. Both Roxbury subjects were able to stop their losses before it was too late. They prey on male/female elderly targets. The scam artist implies that he/she has something to “give away”, but it ends up costing them dearly. A US Treasury agent attended a local meeting and advised that Police Departments warn people before they get the bite put on them. So...BEWARE...small towns such as Surry are good hunting grounds for these vultures. Never give out your bank accounts or social security numbers to strangers.

STATE OF NEW HAMPSHIRE - TOWN OF SURRY
TOWN WARRANT - 2004

To the inhabitants of the Town of Surry, in the County of Cheshire, in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town Hall in Surry on Tuesday, the 9th of March, 2004 from 2:00 p.m. to 7:00 p.m. to cast written ballots to act upon the following articles:

1. To choose all necessary Town officers as listed on the official ballot.

In addition, you are hereby notified to meet at the Town Hall in Surry on Thursday, March 11th, 2004 for the business meeting at 7:30 p.m. to act on the following articles or in relation thereto.

2. To hear the reports of the Town Officers and Committees.
(Accepted as printed in annual report book)

3. To see if the Town will vote to approve an increase in the cost per single plot in the cemetery extensions, at a standardized fee schedule of \$300 per full grave site defined as 4' wide by 8' long, and \$150 per crematory urn site, defined as 4' wide by 4' long. Purchased lots of 4 will be discounted by 15%. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) (Passed)

4. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place in the current Library capital reserve fund for the purpose of meeting ADA compliance. The Selectmen and Budget Committee recommend this appropriation. (Majority vote required.) (Passed)

5. To see if the Town will vote to raise and appropriate the sum of \$5,000 to place into an ongoing capital reserve fund for the third year of a six (6) year plan to purchase a new police cruiser. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) (Passed)

6. To see if the Town will vote to raise and appropriate the sum of \$10,000 for expenditure in 2004 combined with a withdrawal of \$30,650 from the Highway capital equipment reserve fund, for a total expenditure of \$40,650 for the purpose of acquiring ??? 4 wheel drive front-end loader or all wheel drive backhoe which includes the trade-in of \$5,000 for the Town's current 25 year old front-end loader. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) (Passed)

7. To see if the Town will vote to raise and appropriate the sum of \$18,750 for the purpose of finishing the Town History. The amount to be raised by taxes this year will be reduced by \$11,781 plus interest, withdrawn from and thus closing the reserve fund previously created for this purpose. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) (Passed)

8. To see if the Town will vote to raise and appropriate the sum of \$25,000 to place into an ongoing capital reserve fund to purchase a new fire truck. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) (Passed)

9. To see if the Town will vote to raise and appropriate the sum of \$70,000 for the purpose of making road improvements, or to take any action in relation thereto. The Selectmen and the Budget Committee recommend this appropriation. (Majority vote required.) (Passed)

10. To see if the Town will vote to approve the following resolution to have Surry join the National Flood Insurance Program as follows:

To see if the Town agrees to participate in the National Flood Insurance Program (NFIP) by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

To see if the Town agrees to adopt Federal Insurance Resolution A as follows:

WHEREAS, certain areas of Surry are subject to periodic flooding from lakes, streams and rivers, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this board to work with the community's Planning Board to develop legislation involving the recognition and evaluation of flood hazards in all official actions relating to land use in the special flood hazard areas; and

WHEREAS, this body and the Planning Board have the legal authority to present such legislation to the town's legislative body for consideration and approval at a regular or special town meeting; and

WHEREAS, the Town Meeting has the legal authority to adopt and amend land use control measures to reduce future flood losses pursuant to New Hampshire's RSA, Chapters 672 through 677.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Selectmen of Surry hereby;

1. Assures the Federal Insurance Administration that it will recommend enactment for those areas having flood hazards, as delineated by the Flood Insurance Rate Map issued by the NFIP dated September 28, 1979, and any published revision to this map, adequate land use and control measures with effective enforcement provisions consistent with the criteria set forth in Section 60 f the NFIP regulations;

2. Vests (the Chairman or other duly authorized municipal officer) with the responsibility, authority and means to:

(a) Assist the Administrator, at his/her request, in his/her delineation of the limits of the area having special flood hazards;

- (b) Provide such information as the administrator may request concerning present uses and occupancy of the floodplain areas.
- 3. Cooperate with federal, state and local agencies and private firms which undertake to study, survey, map, and identify floodplain areas and cooperate with neighboring municipalities with respect to management of adjoining floodplain areas in order to prevent aggravation of existing hazards;
- 4. Submit a report to the Federal Insurance Administrator concerning the development and implementation of floodplain management regulations. This report submitted annually or biennially as determined by the administrator; and
- 5. Notify the Federal Insurance Administrator in writing whenever he boundaries of the community have been modified or the community has otherwise assumed or no longer has the authority to adopt and enforce floodplain management regulations for a particular area. Include with such notification a copy map of the community suitable for reproduction, clearly delineating the new corporate limits or area, which the community has assumed, or relinquished authority.
- 6. Appoints the Building Inspector to maintain for public inspection and to furnish upon request, for the determination of applicable flood insurance risk premium rates within all special flood hazard areas identified on a Flood Hazard Boundary Map or Flood Insurance Rate Map, any certification of flood proofing, and information on the elevation of the lowest habitable floor (including basement if habitable) of all new or substantially improved structures, and include whether or not such structures contain a basement, and if the structure has been flood-proofed the elevation to which it was flood-proofed; and

7. Agrees to take such other official action as may be reasonably necessary and legally appropriate to carry out the objectives of the program. (Passed)

11. To authorize the Town of Surry to withdraw from SAU 38 (Monadnock School District) and join SAU 29 (Keene School District) Article submitted by petition. (Majority vote required.) (Passed as amended)

11 AMMENDED: To authorize the Town of Surry to explore withdrawal from SAU 38 and Monadnock School District, and explore subsequent options to be voted on in a future special town meeting.

12. To elect and authorize a committee consisting of one Selectperson, one Budget Committee member, the School Board representative, and four at-large citizens to represent the Town of Surry in the withdrawal from SAU 38 (Monadnock School District) and the joining os School District SAU 29 (Keene School District). Article submitted by petition. (Majority vote required.) (Passed as amended)

Emergency Management Report- 2004

The Emergency Management Plan for The Town of Surry was completely rewritten. It is presently being reviewed by the State Office of Emergency Management and when approved, will be published and copies provided to the town.

The town has formed The Surry Citizen Corps and has received a grant of \$ 15,000 for funding the Citizen Corps.

This money will fund a town wide survey of our citizens needs, their resources, and their possible aid to others in the town. It will also fund education programs, training, supplies, and other costs to provide aid and care in emergencies that may occur in the town.

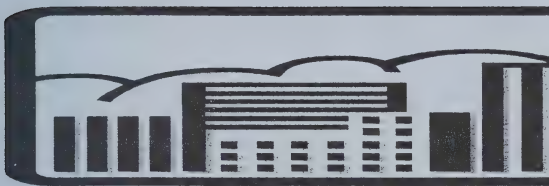

I was able to attend two training sessions given by the State Office of Emergency Management during the year.

Please contact me if you would like any information on emergency preparedness, possible training for any type emergency, such as first aid.

SURRY RECREATION DEPARTMENT – 2004

A large gathering enjoyed Old Home Day, August 2004 in spite of the inclement weather. Festivities began at noon when Selectman Hugh Clark rang the 1836 bell in the Town Hall steeple. Chris Warman fired his miniature cannon. Many outdoor activities that were planned such as the East-West Surry ball game had to be cancelled. The children's games were played when the rain subsided.

An Art Exhibit was held in the Town Hall with 25 entrants. Prizes were awarded to Laura Barrett, Jimmy Von Krebs-Cintorino, Sheila Breton and Carolyn Berglund. In the Youth Division, Elizabeth Carlson, Lizzy Doicin and Paige Conroy received special prizes and every youth received a prize for entering.

A time capsule prepared during the summer reading program at the Reed Free Library was buried near the library. The capsule is to be recovered in the year 2014 when the time travelers vowed to return to Surry for the event. During the afternoon the Surry Players celebrated their 25th anniversary. A "cake walk" was held and ten beautiful cakes, donated by town bakers, were awarded to the lucky winners.

The Citizen of the Year was Connie Blewett. She was honored for her service to the community. Presentations from the governor and state were made to Calvin Frink and Kenneth Smith for 50 years service to the Surry Volunteer Fire Department. A plaque in appreciation for 50 years service by the Department to the town was presented to John Berglund and Durwin Clark, engineers. A certificate was presented to former and present residents of WWII brothers Weston Ernest Ball, Herbert Ball, Samuel Ball, and William Ball.

Also Kenneth Cavadini, Calvin Frink, Betty Kingsbury and Neil Metivier received certificates. Those not in attendance that received certificates were Harry Clough, Harold Cushing, Frank Johnson, Russell Wilber and Leo Vogel.

At lunchtime the rain-drenched crowd welcomed hot dogs and hamburgers with all the "fixings". The day ended with music by the East Bay Jazz Band and the always-popular Chicken BBQ prepared by the Surry Volunteer Fire Department.

A special thanks goes to Maureen Bigelow and Stacey Taylor who served on the OHD committee. Thanks also to the following who volunteered their help: Mona Anderson, Leslie Carlson, Angie Cicoine, Kay Lucius, Pat Jackson, Judy Lindahl, Mabel Rhoades, Bill Bigelow, Pete Bissell, Malcolm MacDonald and Robert Stillings.

An effort was made this year to involve more people and organizations in the events. Many told us this made the day more interesting. It also reduced the expenses by half. Let us know what you think.

We have tentative plans for other activities both for seniors and youth groups during the coming year. Would you like to volunteer to help with some of these? Call Sharon Sweeney, 358-3961 or Marilyn Jarvis, 352-6803.

KEEP THIS DATE IN MIND!
